

Thank you for associating with us for '**Chalo India, Let's Work from Home**' initiative.

I would like to inform you that all the work from home internships are now **live** for students of BITT Polytechnic. We have sent an email communication to your students, however, to ensure maximum participation I request you to share this information as well.

A few highlights -

- 12,000+ virtual/online internships to choose from, with stipend and certificate
- Internships in all the categories like engineering, management, graphic design, and many more
- Maximum stipend offered is Rs. 30,000 per month
- Easy to do internships for 1st-year students

Students can visit here to apply now - internshala.com/i/VI-262.

Eligibility - All the students (1st year to final year) from all streams/branches are eligible to apply for these internships.

The registrations have already begun and the last date to apply is 19th April. Also, there is no registration fee involved at all.

Also, now you can share this information over [WhatsApp](#), and other social media just to ensure maximum participation from your college.

To know more details about this initiative you may visit the [FAQs](#) here.

In case you have other questions, please reply to this email.

Take Care,
