## NOTICE

As we have received various suggestions/observations regarding the online classes, its merit, demerits and its different platforms such as YouTube, Instagram, Skype, zoom, WhatsApp, jetsi meet, Google class, facebook, Webex & Google meet app, all the suggestions/observations have been taken into consideration for running the online classes from 28.05.2020. It may be noted that starting classes should be taken as the introduction and understanding the online classes methods, its attendance scheme, merits & demerits and for any query one can always contact ones respective head of the department.

In today's interaction meeting of the Principal with students of 2017-2020, 2018-21 and 2019-22 session, all students have already been informed that online class of 2nd, 4th & 6th semesters will continue from tomorrow dated 28.05.2020 as per following details:

- Digital BITTP WhatsApp Groups:** A separate official WhatsApp groups for student academic progress has been created for the students of all branches & semesters. It can also be used for conducting online classes by their subject experts and it will be monitored by respective department heads. A notice regarding the same including WhatsApp group rules & regulations as per the AICTE norms will be available shortly.
- Time Table:** Time tables for the online & digital classes of all branches have been prepared and it will be available to all via college website.
- Mode of teaching:** During the online teaching, YouTube, Instagram, Skype, zoom, WhatsApp, jetsi meet, Google class, facebook, Webex & Google meet apps or any suitable suggested mode will be used and for the e-notes, audio, video of class lectures will be uploaded in the college website and so students are again requested to visit the website frequently.
- Doubt clearance, question & answer:** MCQ, daily test, weekly test, assignments etc will be conducted by faculty members of all departments and would be available on the website. The ecetechteam of BITT Polytechnic will play a vital role in organizing the events through TPC. Students are also suggested to create new ideas during this pandemic which will be highly encouraging.
- As per JUT guidelines, the attendance of students along with their terminal and sessional marks will be submitted to JUT compulsorily before 15<sup>th</sup> June. So students are again directed to use the online platform effectively and ensure 100% of their attendance.
- Students are also advised that for any related grievance may also write at WhatsApp No. 9931080111, Email at [rkbitt@gmail.com](mailto:rkbitt@gmail.com), or call at 9470193650, 9470193647

**Note:** Students are advised to contact their respective heads for any issue related to smooth running of their classes, or newly created Digital BITTP WhatsApp group
