### ***Webinar on Student Ethics - Clean Exit for enhanced placement and internship opportunities***

AICTE has signed an MoU with Information Sharing and Analysis Centre (ISAC), a not for profit organization working in the area of Cyber security and this was informed to all the AICTE approved colleges. As part of this MoU, it was agreed to collaborate for building Professional Ethics at the workplace among the students under the "Clean Exit" program.

Clean Exit is a platform that promotes ethical behavior and prevents misconduct by means of integrity score and rating for professionals. AICTE has encouraged all its institutions to sign-up and register their students from the first year onwards, to undertake an online course, for increasing their awareness and commitment towards professional ethics. The course offered free of cost to all students in AICTE institutions, helps the students in opportunity in getting internships and placement. Information about Clean Exit was shared with all colleges through a letter dated Dec 18, 2019. We are happy to announce that Webinar on Student Ethics - Clean Exit for enhanced placement and internship opportunities is being organized, for your benefit, as per following schedule
