

BITT POLYTECHNIC

Getlatu, Ranchi - 835217

Ref. No- BITT-P/NOTICE/2020-21/9558

Dated: 13/05/2020

NOTICE

The COVID-19 pandemic has affected educational systems worldwide, leading to the near-total closures of schools, universities and colleges, as of 10 May 2020, approximately 1.268 billion learners are currently affected due to school closures in response to the pandemic. According to UNICEF monitoring, 177 countries are currently implementing nationwide closures and 13 are implementing local closures, impacting about 73.5 percent of the world's student population. On 23 March 2020, E-learning has been a buzzword for around 4-5 years now, but the Covid-19 pandemic has forced the schools, university and colleges to take really serious steps.

Keeping the above and uncertainty we have regarding reopen. It is decided to make students more technology oriented, in continuation of the Initiative that have been taken by the College to provide WI-FI to each of its students & other for the improvement of students which helps the students to get online classes, seminar, quiz, technical training, student's assessment and assignments.

So, it is to inform to all the students to complete their ERP registration till 23/05/20 after which only they will be eligible to avail the facility of online classes on different platform created by the BITT Polytechnic. User ID along with password for accessing the services will be provided to students by 25/05/2020 on their dashboard which will enable only after the ERP registration.

Moreover, different dashboards will also be provided to the students for their welfare and academic enhancement.

Digital transformation is imperative for our institute as we believe in equipping Students with skills for employment and shaping a wisdom landscape where more than bookish and greater entrepreneurial skill is focused boosting their capabilities exponentially and as we see our government aim is of complete digital India enabling pace of innovation as well as tackling many of challenges we face today.

The students can make sure of this facility which is offered 24*7 and gather information which adds to their knowledge bank. Through internet they can research infinite content for their assignments, make presentations of professional caliber, look out for different job opportunities when they are near to their completion of studies. Gather information of corporate world, attain notes online and finally make such a flourishing career that it sets them apart from most of the other college going students.

[NOTE: Keeping the COVID-19 Pandemic we urge students to Stay Safe and healthy, Please practice hand washing and social distancing, and to maintain social distancing the E-learning process is necessary so students are requested to provide complete and accurate data while registering in ERP, wrong Information may debarred from the E-learning Process attendance, wi-fi facility and student's dashboard,]
