Dear Principals/Directors,

I have been writing to you in the past one week about COVID19 endemic and our role in overcoming this crisis. AICTE has been receiving mails and telephone calls about willingness of colleges to help those in need and many students who are in difficulty and need help.

Hence AICTE has come up with a portal COVID19 Helpline with the address : <https://helpline.aicte-india.org/>

This will be launched by the Hon'ble Minister HRD, Govt of India, today.

Please fill in the data in the url : <https://helpline.aicte-india.org/register.php> so that it will be immediately useful to our students in difficulty.

Please fill in the data using mobile : https://helpline.aicte-india.org/register_mobile.php so that it will be immediately useful to our students in difficulty.
