DEPARTMENT OF TRAINING, PLACEMENT, CONSULTING,
INNOVATION & RESEARCH (DTPCIR)

NOTICE

All the students of diploma on EE, ECE, ME of sessions: 2019-22, 2018-21, 2017-20, 2016-19, 2015-18, 2014-17, 2013-16 are hereby informed that **“RALSON TYRES LIMITED”** is shortly going to do online/ offline / recruitment / Apprenticeship/ placement program.

RALSON TYRES LIMITED

Ralsion was established in 1974 and today it is one of the largest and most respected tyre brands, which has not only carved for itself a leading name in the country but also established a global footprint with exports to over 70 countries across Asia, Africa, Latin America & Europe.

With time, it has earned itself a leadership position in the bicycle tyre industry, as well as expanded into the manufacturing of automobile tyres business which is gaining market share aggressively.

Ralsion is embarking on a never before growth trajectory, expanding its horizons into newer segments and is committed to making large investments in technology, R&D, and state of the art facilities to enable the same. Headquartered in New Delhi, the Company has mega manufacturing locations producing over 5 million automotive tyres annually from Ludhiana, where it employs over 5000 people. Ralsion's capacity to produce high-quality products is at par with the world's best, making us one of the few companies in the world with the highest per day production rate. While the distribution is spread across 700 districts in the country with over 5000 dealerships and company run branches serving customers across these locations.

Ralsion is committed to surging ahead in both domestic and overseas markets by consistently delivering innovative products, unparalleled quality and value for money to our millions of loyal customers on a day to day basis and is eager to serve the large underpenetrated potential of the booming global market as well as the promising domestic scenario. Today, Ralsion is one of the top 5 industry leaders globally and has become the largest producer and exporter of bicycle tubes and tyres in the country.

With the everlasting passion to create and innovate more, Ralsion is now expanding its business to the truck bus radial (TBR) tyre segment with the creation of Ralsion Tyres Limited (RTL) and is committed to achieving never before success with this new venture.

RTL is our promise and contribution to the 'Make in India' program by the Govt. of India to manufacture world-class products in India and we have earmarked an investment of over 1500 Crs towards the same for our first flagship facility which is being set up at Indore.

We envisage the RTL business to spread across geographies and International markets where there is a colossal opportunity for the truck tyre segment.
