BITT-P/NOTICE/2023-24/10756

Date: 20.04.2023

NOTICE

Subject: On Absenteeism in regular classes

It has come to our notice that a significant number of students have been absent from classes without any valid reason. We would like to remind all students that regular attendance is crucial for academic success and to ensure that you can meet the learning objectives of the course.

As the examination period is approaching, we want to inform you that the examinations are tentatively scheduled (for all 2nd, 4th, and 6th semesters, as per the academic calendar: **JUT-292/2019/715**) to start from **15th May 2023**. However, we would like to emphasize that attendance is mandatory for all students who wish to appear for the examinations. Students with poor attendance may not be allowed to appear for the examinations, as per the examination rule.

We encourage all students to attend classes regularly and make the most of the remaining time to prepare for the upcoming examinations.

Note: Re-registration in the course is mandatory to attend the classes.
