BITT-P/NOTICE/2022-23/ 10497

Date: 02-09-22

NOTICE

Subject: Commencement of 5thSemester Classes and in-plant training presentation

Students of all branches of Diploma engineering (Session 2020-23) arebeing informed that the regular classes of the 5th semester arescheduled from 6th Sept. 2022. It is compulsory to attend the classes/tutorials/lab/workshop to complete the attendance criteria as per the directives of the Jharkhand University of Technology Ranchi, failing which they will not be allowed to attend semester examinations. The class timetable has been displayed on the respective department notice board. Students still engaged in training work need to contact their department head for any queries related to course completion.

Furthermore, the presentation of in-plant training is scheduled for the 2ndweek of September 2022. Students have to present their training work at least in 15 slides. On the same day training report and a copy of the certificate will be submitted tothe respective department.

Note: Re-registration is mandatory for attending the classes and all other academic activities.
